# GET TESTED
...............................

## Free COVID-19 Testing

**County Health Department will provide rapid antigen tests and PCR tests.**

1. Rapid antigen results are available in 15 minutes but are not recommended for people without symptoms.
2. PCR test results come back in 2 days or less and are the most reliable COVID test available.

Minors getting tested without their parents will need to sign a combination of a Minor Consent Form and a Release of Information.

Adults getting tested will need to sign a Release of Information, giving the school access to their information.

**Links to pre-register for testing:**

- English COVID-19 Testing Registration Form
- Spanish COVID-19 Testing Registration Form

**Questions?**
Contact the Salt Lake County Health Department at 801.834.1809

## Monday—Friday
